Partner with Us for Men's Mental Health

PICCI invites you to be part of the Pilbara Men's Muster with Danny Green, an event bringing men from across the Pilbara together for an evening focused on mental health, wellbeing, resilience and connection.

We are seeking expressions of interest from businesses and organisations interested in supporting this important community initiative through sponsorship, in-kind contributions or merchandise donations.

About the Event

The Pilbara Men's Muster will provide a relaxed and supportive environment where local men can connect, share experiences and enjoy an evening of good food, practical skills and meaningful conversations.

The event will feature:

Danny 'The Green Machine' Green – Special Guest Speaker

One of Australia's most respected boxing champions, Danny will share insights from his personal journey, including resilience, mental wellbeing, leadership and the importance of reaching out and supporting one another.

BBQ Workshop with Pitmaster Steve (Blue Mist BBQ)

Participants will roll up their sleeves for an interactive BBQ learning experience and techniques for cooking premium meats while enjoying plenty of banter and opportunities to connect with fellow attendees.

More than just an evening out, the Pilbara Men's Muster is an opportunity to strengthen community connections, encourage open conversations and raise awareness of men's mental health and wellbeing across our region.
